

BEST. DAD. EVER.

The FATHERFOCUS Series

Dads have huge responsibilities today, but none more important than raising our kids. Introducing Father Focus: a professional speaker series designed to help us become better fathers, while connecting with other dads at the same time. Each speaker in the series is a father, a leader, and a follower of Christ.

Our first speaker is Vernon Shazier, NFL Chaplain for the Miami Dolphins, pastor at two churches, and CEO of the Champion Leader. Using transparency and humor, Vernon will be talking to us about "The Power of Training Wheels" and how we can use these training wheels to help our kids discover the champions within themselves. Become the father that God meant for you to be and join us at the SRC Chapel at 7:00 pm on Tuesday Jan. 17th. Pizza and refreshments will be served.
